

Next steps – communication and use of conference outputs

Conference co-chairs

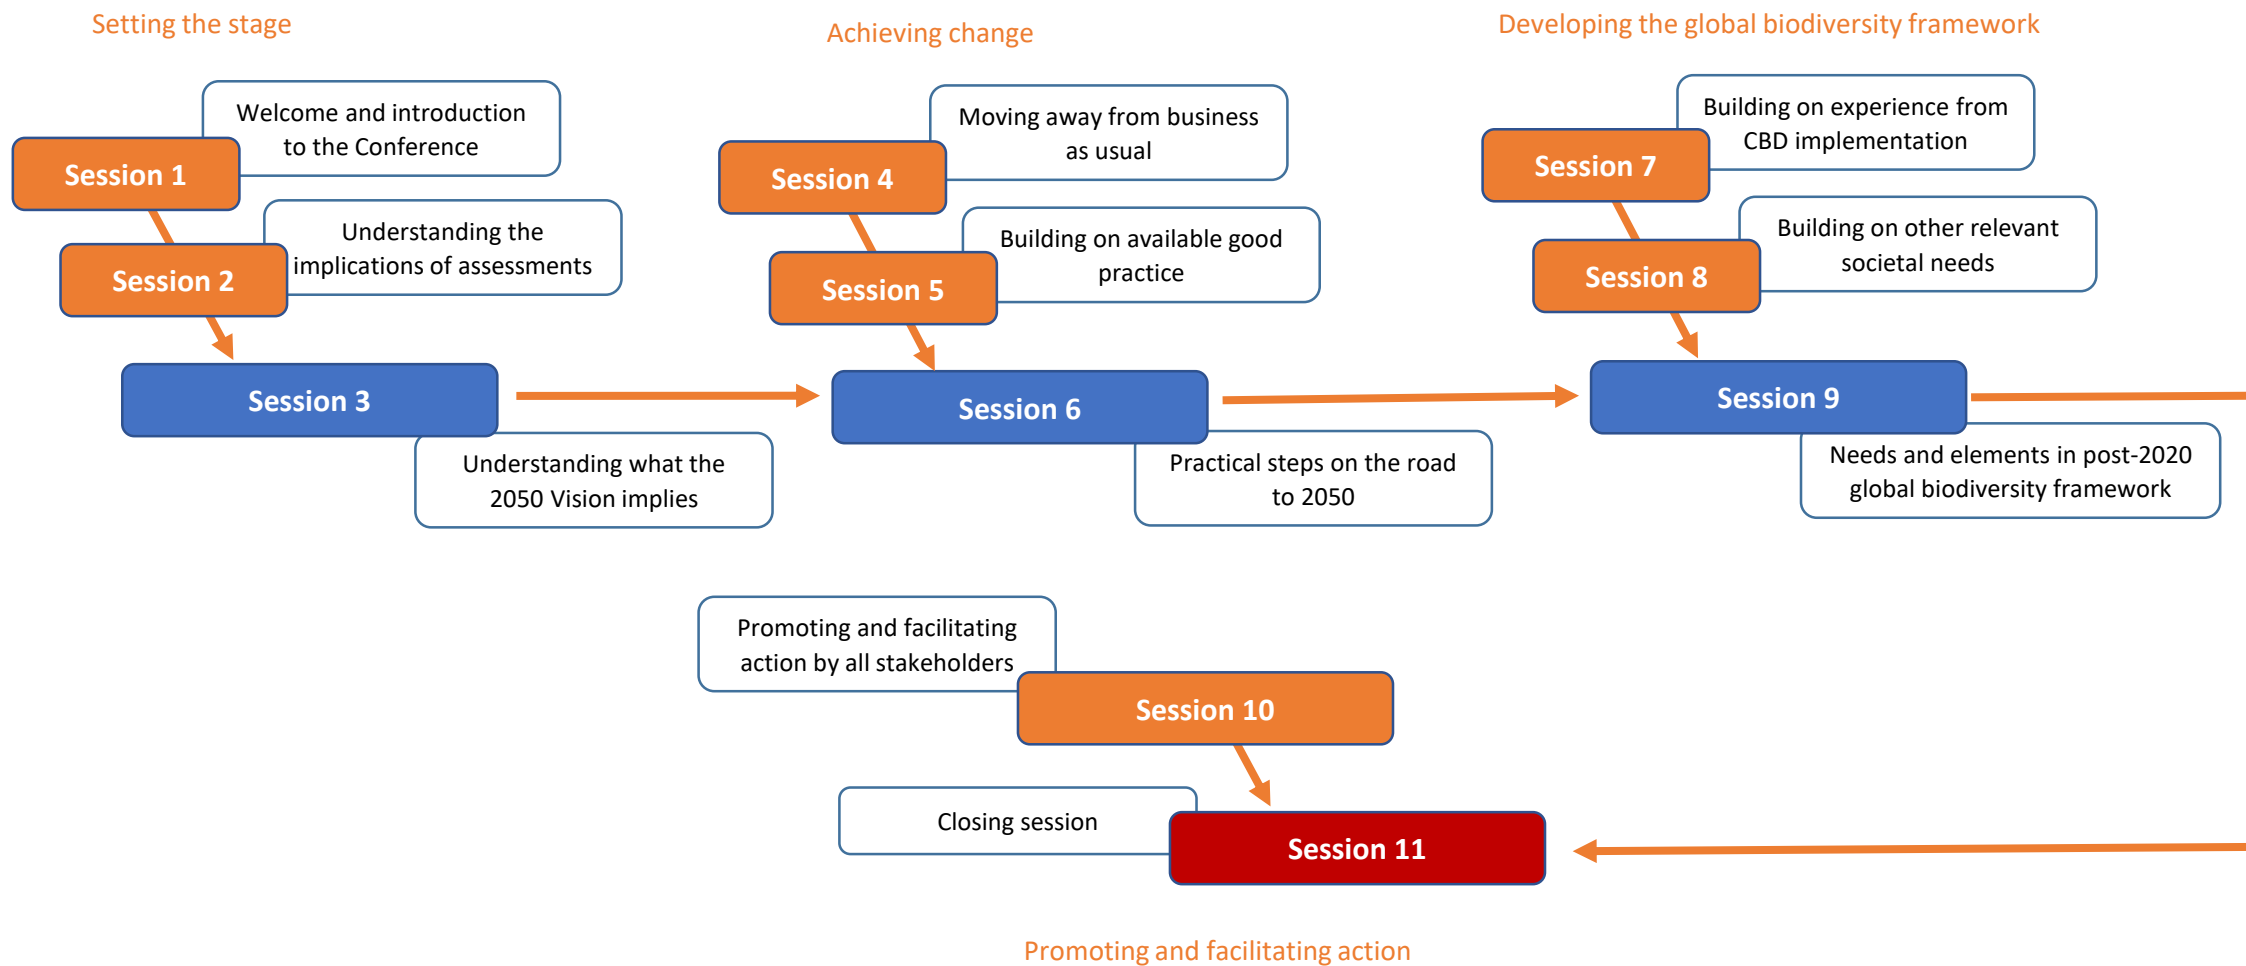

Nina Vik and Finn Katerås, Norwegian Environment Agency

Objectives of the Trondheim Conferences

- Provide input to the decision-makers of the CBD
- Provide an arena for open dialogue among stakeholders on the biodiversity agenda
- Provide capacity enhancement for policy makers, managers, and scientists
- Create a constructive, transparent and scientifically sound basis for addressing key issues under the CBD
- Provide an inclusive arena where representatives from all countries have the opportunity to meet and present their perspectives on equal terms
