

Your Name and Organisation Maria Mercedes Arévalo
Climate Change Direction → Venezuela.

Thank you for hosting one of the open space sessions on relevant practice experience/needs to share and potentially build on to achieve transformational change! Please use this template to record your main results as input for the co-chairs' report. And simultaneously answer the question "How does this help us to identify which changes need to happen?" in slide (feel free to ask one of the participants to support you)

Your Topic for exchange (basic description of your experience/ challenge/ hypothesis):

Our topic for exchange was Governance. as a central issue to find out where we failed and why it happened.
Hypothesis = The more good governance the better results!

Basic overview of participants (please ask for this at the beginning of the session):

Rough number of participants:
Rough overview of represented organisations/countries:
Costa Rica, Sweden, Egypt, Germany, Granada, Malawi, Botswana, CDB of Venezuela

How does this help us to identify which changes need to happen?

Participants pointed out:
- Need to communicate to the local communities the importance of biodiversity, climate change and their nexus with development
- Need to ^{improve} understanding of local communities to make them part of the solution.
- Need to include private economic sector and academy.
