

Thank you for hosting one of the open space sessions on relevant practice experience/needs to share and potentially build on to achieve transformational change! Please use this template to record your main results as input for the co-chairs' report. And simultaneously answer the question "How does this help us to identify which changes need to happen?" in slide (feel free to ask one of the participants to support you)

Your Topic for exchange (basic description of your experience/ challenge/ hypothesis):

How is the role of local community in conserving/ save the biodiversity case study "Tayuban" from logger to logging.

Basic overview of participants (please ask for this at the beginning of the session):

Rough number of participants: 30
 Rough overview of represented organisations/countries:
 Philipin, Botswana, Burund, Malawi, Bangladesh, Namibia, Cook Island, Madagascar, Finland, Indonesia.

thinking of

How does this help us to identify which changes need to happen?

- ① Way of bureaucratic is changes.
- ② Policies developed with various consultation (Bottom up approach)
- ③ Co management, local people (elite) in-decision.
- ④ Improve human resource (human education).
- ⑤ Guideline to improve role of local community.
- ⑥ Valuing the profession
- ⑦ Motivation and spirit
