

Thank you for hosting one of the open space sessions on relevant practice experience/needs to share and potentially build on to achieve transformational change! Please use this template to record your main results as input for the co-chairs' report. And simultaneously answer the question "How does this help us to identify which changes need to happen?" in slide (feel free to ask one of the participants to support you)

<p>Your Topic for exchange (basic description of your experience/ challenge/ hypothesis):</p>	<p>The European^{Bern} Convention (Convention on the Conservation of European Wildlife and Natural Habitats) has a compliance mechanism, the case file system. It has shown positive results and moved implementation forward, i.e. by fostering dialogue and a regular follow-up.</p>
<p>Basic overview of participants (please ask for this at the beginning of the session):</p>	<p>Rough number of participants: 4 + moderator Rough overview of represented organisations/countries: Pro Natura, CH (moderator) SCO GEC NL - PBL</p>
<p>How does this help us to identify which changes need to happen?</p> 	<p>The mechanism shows:</p> <ul style="list-style-type: none"> - usefulness of dialogue - need for a compliance mechanism - but ensure actual debates have priority - a regular follow-up is helpful
