A close-up photograph of several hands of different skin tones and ages, all reaching towards the center and holding each other in a firm grip. The hands are arranged in a circle, creating a sense of unity and collective strength. The background is blurred, showing what appears to be an outdoor setting with warm, golden light. The image is framed by a white, torn-paper-like border.

2020

- ✓ Ensure meaningful participation
 - ✓ During development of GBF post 2020: participation in meetings and key-activities, at international, regional and national level
 - ✓ Participation of youth in decision-making process related to biodiversity
- ✓ **Enhance and increase existing opportunities:** Conservation jobs, internships, fellowships, trainings, education programmes, research
- ✓ **Increase empowerment and youth-led initiatives:** Youth constituencies, organizations, start-ups, campaigns, programmes
- ✓ **Enhance collaboration and partnerships** with youth movements, organizations, constituencies, groups, students
- ✓ **Ensure intergenerational equity** is reflected in **principles** (e.g.: Precautionary principle, Rights-based approach, Polluter pays principle, inclusive participation, ethical and responsible production and consumption), **targets** (Education, accountability and compliance, human rights and empowerment, resource mobilization) and **indicators**
- ✓ **Empowering young people:** strengthen initiatives that are both
- ✓ **Youth-led:** youth innovation labs in government agencies, institutions, to develop smart, local solutions for policy, communication and to further develop capacities and improve training activities, partnerships with youth constituencies and youth movements
- ✓ **Youth targeted:** creation of internship programmes, training and capacity building activities, fellowships

YOUTH CHALLENGE

GOVERNMENTS

Let's go out, connect with marginalized groups! They are facing the worst of the system and can help you see the gaps

BUSINESS

Let's check the hidden impacts of your business and your real efforts. How big is the impact? How great is your efforts? How much is greenwashing?

ACADEMIA

Let's make an effort to truly collaborate with IPLCs and consider traditional knowledge

NGOS

Question yourself: How much of our work is ultimately keeping the establishment?
